

Modern Slavery Policy

1. Basingstoke ITEC is committed to eliminating modern slavery, human trafficking, forced labour, and similar human rights abuses.

2. Basingstoke ITEC is committed to ensuring that its staff and any workers it supplies (directly or indirectly) are not subject to behaviour or threats that may amount to modern slavery, human trafficking, forced labour, and similar human rights abuses.

3. Any staff, workers or other parties are strongly encouraged to report any concerns or suspicions that they might have to Caroline McColl, our safeguarding officer.

4. Reports surrounding these issues are taken extremely seriously by our Directors who are committed to ensuring that all investigations shall be prompt and effective. If our investigations reveal any issues, we are committed to taking appropriate action, including but not limited to:

- Working with the appropriate organisations to improve standards
- Passing details to appropriate law enforcement bodies.

This policy was adopted in December 2016 after being agreed by our Managing Director. It is reviewed annually.
